TERM ONE

NEWSLETTER

GENERAL INFORMATION

WELCOME to all our new families, we look forward to teaching your children at our Preschool. We guarantee their year will be filled with many exciting activities and memorable moments. Also welcome back our families of 2018; we have a very busy year planned. Please ensure you check your child's Preschool pocket when you are dropping off or collecting your child from Preschool, this is where we put important notes and artwork for your child. We may also pack it in their bag at the end of the day so be sure to check their bag when you get home.

All children's belongings, bag, hat, clothing, water bottle & lunch box **must** be clearly marked with your child's name. It is very important as this aids in helping your child identify his or hers own belongings, not to mention also assisting staff at meal times when they are extremely busy. Please remember to send a change of clothes for your child to Preschool.

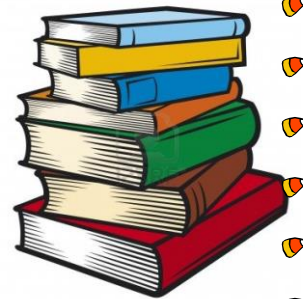

We still have vacancies at all our venues except Huskisson. Please tell your friends/neighbours about us as you, our parents, are the best publicity.

PARENTS PLEASE NOTE

When arriving at our venue please be aware that preschool start at 9.00 am any time prior to this will be classed as "before care" and you will be charged accordingly. Teaching staff have many duties to attend to prior to preschool commences such as setting up, planning, and many administrative tasks to attend to at the beginning and end of each day, so please be aware of the times.

SCHOLASTIC

Every term Preschool displays an array of book catalogues from Scholastic Australia. These will be displayed at intervals throughout the year. Please help yourself to these brochures, take home and have a look through, Scholastic has some fabulous bargains on offer throughout the year. Please ensure you return your completed order by the date displayed. Most parents now use the LOOP system to order however you can still fill in the paper copy. From every purchase you make we are able to buy new books for your children. Please enter either Bus 1 or Bus 2 for easy distribution if you order via LOOP – see below for areas.

BUS 1 – Callala Beach & Huskisson

BUS 2 – Cambewarra, Falls Creek & Manyana

FUNDRAISING INFORMATION

TBA

NUTRITION

At preschool we promote healthy eating, please do not send lollies such as rollups, chips, chocolates, sweet biscuits etc in your child's lunch box. We prefer these foods were kept for home time treats and not preschool. Thank you for your cooperation.

NUT FREE POLICY

Please do not send PEANUT BUTTER, NUT PRODUCTS or NUTS to preschool. We have some children attending that are allergic to peanut products and they may have an anaphylactic reaction if they come into contact with these products. Please be vigilant of what food you are sending to preschool. Your co-operation with this is of the utmost importance.

CSMP IS A SUNSMART PRESCHOOL

Please remember to send a hat to Preschool with your child, except for **BUS 2** children. It is very important to protect our children from the sun. The best way to do that is make sure you apply sunscreen to your child **before arriving** at Preschool and ensuring they have a hat. We will reapply sunscreen during the day if required.
