

# EXCURSION AND EVENT POLICY

Excursions/event enhance children’s learning by providing them the opportunity to participate in curriculum planned activities and experiences to extend on their skills and knowledge in the current interest topic. Our Service recognises that excursions provide opportunities for children to explore the wider community as a group and extend on the educational program provided.

## NATIONAL QUALITY STANDARD (NQS)

QUALITY AREA 2: CHILDREN’S HEALTH AND SAFETY		
2.2	Safety	Each child is protected.
2.2.1	Supervision	At all times, reasonable precautions and adequate supervision ensure children are protected from harm and hazard.
2.2.2	Incident and emergency management	Plans to effectively manage incidents and emergencies are developed in consultation with relevant authorities, practiced and implemented.

EDUCATION AND CARE SERVICES NATIONAL REGULATIONS	
4 (1)	Definition regular outing
89	First Aid Kits
97	Emergency and evacuation procedures
98	Telephone or other communication equipment
99	Children leaving the education and care service premises
100	Risk assessment must be conducted before excursion
101	Conduct of risk assessment for excursion
102	Authorisation for excursion
123	Educator to child ratios-centre-based services
136	First Aid qualifications
161	Authorisations to be kept in enrolment record
168	Policies and procedures are required
170	Policies and procedures to be followed

## PURPOSE

To ensure that all excursions and events undertaken by the Service are carefully planned and conducted in a safe manner, maintaining children’s health, safety and wellbeing at all times in accordance with National Regulations. We believe excursions/events provide the children with the opportunity to expand and enhance their skills and knowledge gaining insight into their local and the wider community.

## SCOPE

This policy applies to children, families, staff, management, and visitors of the Service.

## IMPLEMENTATION

Excursions and events will be conducted with the children’s safety and wellbeing in mind at all times. We will regularly schedule events and visitors to our Service however, if we feel an excursion will benefit the children and offer a valuable experience, we will adhere to the National Regulations and Service policies and procedures to plan and manage an experience that is enjoyable and educational for children. This policy relates to excursions that may be a ‘regular outing’ or a one-off excursion for a particular purpose and events, where visiting performers, groups or community services may visit our Service.

### **Definition (effective 1 October 2020)**

**Excursion:** means an outing organised by an education and care service or family day care educator but does not include an outing organised by an education and care service provided on a school site if-

- (a) a child or children leave the education and care service premises in the company of an educator and
- (b) the child or children do not leave the school site

**Regular outing:** in relation to an education and care service, means a walk, drive or trip to and from a destination

- (a) that the service visits regularly as part of its educational program; and
- (b) where the circumstances relevant to the risk assessment are *substantially* the same on each

**Event:** means an activity organised by our early childcare service, whereby an outside body is employed or engaged to visit the service to run an educational program and to promote culture and diversity. This could include a visit from a dentist, the Rural Fire Service, an Aboriginal Cultural awareness group, science or reptile show or a musical or drama performance. Some events may be offered free of charge whilst others may incur a small participation cost.

### **Considerations for excursions and events**

The purpose of the excursion should be clearly identified by staff providing information on how the excursion or events supports the educational program and contributes to the outcomes for children.

Excursions/events should be planned in advance and consideration given to the:

- time away from the service
- availability of toilet and washing facilities
- access to safe drinking water
- adequate health and hygiene practices
- possible risk to children (identified in risk assessment)
- accessibility for all children
- transportation
- cost
- weather – adverse weather conditions eg extreme heat, rain, storms and arrangements required
- Risk Assessment documentation provided by the excursion venue
- teaching children safety procedures and responsibilities whilst on an excursion
- safety and wellbeing of children whilst at the service whilst participating in an events (identified in risk assessment)

### **Excursion/Event Risk Assessment**

The Approved Provider or Nominated Supervisor must conduct a detailed risk assessment which reflects Regulation 101 before an authorisation is scheduled under Regulation 102 to determine the safety and appropriateness of the excursion/events. If the excursion involves transporting children, the risk assessment must adhere to **all** components of regulations 101 and 102 (effective 1 October 2020).

The Nominated Supervisor will ensure:

- an *Excursion/Event Risk Assessment* and management plan is developed prior to any excursion or event
- a responsible person (or coordinator) is appointed to oversee the organisation of the excursion/event
- families are notified about the excursion using an *Excursion Permission* Letter and written authorisation must be provided by a parent or other person named in the child's enrolment record
- families are notified about any events and if permission is required for participation, an *Event Permission* letter provided for parent or carer consent for their child to participate
- families have a right to view the risk assessment prior to the excursion/event upon request in which the Service must comply with ensuring all information is available
- the risk assessment must
  - identify and assess possible risks that the excursion/events may pose to the health, safety and wellbeing of any child being taken on the excursion or participating in the event
  - specify how the identified risks will be managed and minimised
  - ensure Working with Children Checks are conducted for all adults visiting the service on events
  - ensure the visiting group/performance is covered by insurance
  - consider the proposed route and destination for the excursion and
  - identify any water hazards
  - reflect on any risks associated with water-based activities
  - consider the transport to and from the proposed destination for the excursion
  - consider the duration of the transportation
  - consider any requirements for seatbelts or safety restraints under the law for our state jurisdiction
  - the process for entering and exiting the education and care service premises and the pick-up location or destination (as required)
  - procedures for embarking and disembarking the means of transport, including how each child is to be accounted for on embarking and disembarking
  - consider the ratio of adults to children involved in the excursion
  - consider the risks posed by the excursion/events, the number of educators or other responsible adults required to provide supervision, and whether any adults with specialised skills are required to ensure children's safety (eg: lifesaving skills)
  - consider the planned activities
  - determine the duration of the excursion

- consider items that should be taken on the excursion (mobile phone, emergency contacts, first aid kit, medical plans, etc.).
- consider strategies to ensure supervision is consistent at all times during the excursion- transitions, toileting, departure from the service and conclusion of the excursion

If the excursion is a *regular excursion*, or '*regular outing*' a risk assessment authorisation is only required to be carried out once in a 12-month period, however, must be regularly reviewed. If circumstances around the excursion change, a new risk assessment is required.

### **Parent Authorisation**

The Nominated Supervisor must ensure:

- that a child is not taken outside the Service premises on an excursion unless written authorisation has been provided
- the authorisation must be given by a parent or other authorised person named in the child's enrolment record as having authority to authorise transportation of a child
- the authorisation form must state:
  - the child's name
  - the reason the child is to be taken outside the premises
  - the reason the child is to be transported (if transportation is included in the excursion)
  - if the authorisation is for a regular outing, a description of when the child is to be taken on the regular outing
  - the date the child is to be taken on the excursion and transported
  - a description of the proposed pick-up location and destination for the excursion
  - the method of transport to be used for the excursion
  - the proposed activities to be undertaken by the child during the excursion
  - the period the child will be away from the premises
  - the period of time during which the child is to be transported
  - the anticipated number of children likely to be attending the excursion
  - the anticipated educator to child ratio attending the excursion to the anticipated number of children attending the excursion
  - the anticipated number of staff members and any other adults who will accompany and supervise the children on the excursion
  - any requirements for seatbelts or safety restraints under a law of each jurisdiction in which the children are being transported
  - that a risk assessment has been prepared and is available at the Service

- that written policies and procedures for transporting children are available at the Service
- if the excursion is a regular outing, the written authorisation is only required to be obtained once in a 12-month period
- parental authorisation may be required for events if identified in the risk assessment or if a cost is required
- authorisations must be kept securely in the child's enrolment records

## **Staffing Arrangements**

The Nominated Supervisor will ensure that:

- educator to child ratios are no less than the prescribed ratios as per National Regulations
- additional educators/staff are engaged to provide care and support to children with additional needs
- consideration for adequate supervision may include:
  - the number, age and ability of children
  - the number and physical positioning of educators
  - each child's current activity
  - risks related to the mode of transport (for example: walking)
  - visibility and accessibility
  - the experience and skill of each educator
- educators are aware of their responsibility to provide supervision to other responsible adults or volunteers assisting on the excursion
- educators are aware of the procedures to follow in the event of an emergency
- at least one educator or the nominated supervisor must hold current First Aid qualification, approved emergency Asthma management and approved anaphylaxis management training

## **Parent and Volunteer Participation**

The Nominated Supervisor will ensure parents and volunteers:

- are encouraged to participate in excursions where possible
- cannot be counted as part of the educator to child ratio
- cannot be left alone with a child/children and must be supervised by an educator at all times
- are briefed prior to participating on an excursion about the risk assessment, emergency procedures, supervision, photograph policy for privacy and confidentiality and use of mobile phone
- are aware that smoking is not permitted
- are aware of need to wear appropriate clothing and footwear.

## Items to be taken on an Excursion

The Nominated Supervisor must ensure that the following items are taken on all excursions, as per the risk assessment:

- appropriate number of suitably equipped first aid kits
- fully charged and operating mobile phone
- emergency contact information details for all children participating on the excursion
- medication for children requiring medical and relevant medical management plans
- items required for excursion circumstances- such as sunscreen, hats, other equipment
- child's attendance record

## Transportation for Excursions

It is a requirement of National Regulations that the means of transport is stated on the risk assessment record and parent authorisation record. Information must be included in the risk assessment about the process for embarking and disembarking the means of transport, including how each child is to be accounted for.

The *means of transport* may mean:

### ○ **Walking**

Educators must ensure children and adults use the safest footpaths and safe crossings where possible, such as pedestrian crossings and traffic lights

Educators will ensure all children and adults obey road rules

Educators will ensure children follow the 'stop, look, listen and think' process when walking near roads

Educators will remain vigilant that no child runs ahead or lags behind the group

### ○ **Bus**

the Nominated Supervisor must ensure that the seating capacity as displayed on the compliance registration is not exceeded. All children must sit on seats, preferably with, or close to an adult. Any requirements for seat belts or safety restraints under law must be followed depending on the vehicle used. If the bus has seat belts, they must be worn at all times.

### ○ **Train**

the Nominated Supervisor will be required to contact the local station prior to the excursion to inform them of the time you will be travelling, the destination, and the number of children and adults who will be travelling.

Provisions should be made to ensure children have ample time to board the train safely and in an unhurried way. This will allow the station to inform the train guard so that they can hold the train for the period of time for safe boarding and disembarkment. All children should be seated at all times,

with an adult close by. All children should be seated in the one carriage if possible- and not in a Quiet Carriage.

o **Car**

Any motor vehicle that is used to transport children on an excursion (other than a motor vehicle seating more than nine persons) must be fitted with child restraints and/or seatbelts that are appropriate for the age and weight of each child, that conform to the Australian Standards, and are professionally installed or checked by an authorised restraint fitter.

The vehicle must be registered and free of any defects that could put any passenger at harm.

All children must be fastened in the vehicle according to National Child Restraint Laws for Vehicles (below). The educator or staff member driving the vehicle must hold a current Australian driver's licence.

The process for entering and exiting the Service premises safely must be considered at all times.

### **National Child Restraint Laws for Vehicles**

- children up to the age of six months must be secured in an approved rear facing restraint
- children aged from six months old but under four years old must be secured in either a rear or forward-facing approved child restraint with an inbuilt harness
- children under four years old cannot travel in the front seat of a vehicle with two or more rows
- children aged from four years old but under seven years old must be secured in a forward-facing approved child restraint with an inbuilt harness or an approved booster seat
- children aged from four years old but under seven years old cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in an approved child restraint or booster seat
- children in booster seats must be restrained by a suitable lap and sash type approved seatbelt that is properly adjusted and fastened, or by a suitable approved child safety harness that is properly adjusted and fastened.

If the child is too small for the child restraint specified for their age, they should be kept in their current-sized child restraint until it is safe for them to move to the next level.

If the child is too large for the child restraint specified for their age, they may move to the next level of child restraint.

## **Insurance**

The Approved Provider or Nominated Supervisor must review the insurance policy prior to the excursion/events to ensure liability is protected by the Service. A copy of the insurance policy should be kept within the service's vehicle (if applicable) at all times.

## **Check for Children's Safety**

Educators will ensure:

- children's attendance records are taken on excursions
- all children are accounted for when embarking/disembarking the car/vehicle or bus
- children's names are marked off as they enter and leave the vehicle including time and date
- a thorough check is made of the vehicle to ensure no child is left in the vehicle (a second person should repeat this check for safety)
- the vehicle is parked to avoid other vehicles, driveways or car parks
- the vehicle is parked as close as possible to the Service premises or visiting venue
- children only disembark the vehicle when it is safe to do so
- where possible, educators hold children's hands to supervise them walking into the Service premises
- head counts are conducted at least every 30 minutes whilst on the excursion
- bathrooms and toilets are checked for any potential hazard before children enter, and children are escorted to the bathrooms and supervised

## **LOST CHILD DURING AN EXCURSION**

In the event of a child being unaccounted for during an excursion, educators will immediately:

- inform another educator and provide supervision for groups
- conduct a head count
- ask children/parent helpers/other educators if they have seen the missing child
- search the premises
- check organised meeting points (use mobile phone to contact other educators)
- alert the venue management and request that an announcement is made
- if the child is still unaccounted for after checking as above, the nominated supervisor, educator will contact the Police on 000 and report the incident
- the nominated supervisor will contact parents/guardian
- educators will reassure other children and provide supervision
- the Approved Provider must make a notification to the Regulatory Authority within 24 hours of a serious incident
